Art School Newsletter- Summer School January 2027

A Summer School will be held again in January 2027. There are 5 tutors offering 6 one-day workshops in oils, pastels and watercolours; there is also a special workshop for children. All workshops are suitable for both beginners and more advanced and give you an opportunity to try something new or get a taste for what our tutors offer during the year. We hope that you will find something to your taste.

Workshops that include materials are noted as such otherwise materials lists will be sent to you once you have booked. Art materials can be purchased from our sponsors, The Belgrave Book Barn and The Art Shop.

Bookings can be made via the Trybooking link shown or by using the QR codes attached to each tutor.
These very affordable, one-day workshops make a great Christmas gift for you or for your family and friends. Places are limited so book now!
